THE ARMY TO MOVE

NO STARTLING NEWS.

(Cincinnati, O., May 1, 1861, p. 2.)

EDITORIAL TO THE CLIMAX:

HONO. MONTEZ, the Spanish

Admiral, reported killed by the popu-

larity of Manila. Massacres everywhere.

CHICAGO.—Wheat \$1 55.

WASHINGTON.—Secretary Long has

written the Cape Verde Fleet has reached

Callao, Spain. Orders issued at War

Department to troops to go to Texas,

Tampa, Mobile and New Orleans.

Two-thirds go to Texas. Entering

May go to Cuba before end of the week.

KENNEWICK.

CINCINNATI, OHIO.

The Hon. William S. Bryan in his

address before the constitutional con-

vention of Louisiana declared in declin-

ing tones that "the South is in

dangerous condition."

The conference report on the consti-

tutional appropriation bill was agreed

to in the House.

THE President will issue a proclama-

tion warning Spanish residents to

act with circumspection, or there

should be further action of some

sort so there will be a general ex-

pulsion.

A DISPATCH from a Spanish source

in Havana states that part of the army

there is being organized for the inva-

sion of Florida.

The war should have been for an

attempted invasion. History will

never record an invasion of Florida by

the Spanish army.

The friends of bimetalism insist

that treasury notes should be issued

as a means of getting gold and silver

gold coins would listen to nothing but

gold bonds, which will cost the people

\$3,000,000,000 in interest alone in two

years.

What are the people's friends?

—Silver Knights-Warren.

A West Virginia farmer who was

a stern and stony man and

opposed the gold standard during the last

campaign, found his meat house rob-

bed last week of a thousand pounds of

bacon and a barrel of flour, threatening

the poor. "Gold bugs

can live on confidence, but it takes

bacon at our house." Signed to 1, to

1, to 1, to 1.

At a meeting of ex-Confederate

soldiers in Owensboro, Ky., the other

day, one of the speakers, Jerry Smith,

made a bold speech. He said: "I

I speak for the true sentiments and

believe it to be the sentiments of many

ex-Confederates, for when I say I

am for you, I am for your right.

—We note with pleasure the desire of Richmond for industrial activities. Not the least of these is the one under way to establish a cotton mill. This citizen gave it a push with that much needed zeal, which will fit better for larger in industries. We hope to see him go on with his efforts.

—With the laying plans for what is to come, help where is here—give the manager a lift of encouragement in this much needed enterprise.

—D. B. Shaeffer & Co. say they have a good crop of wheat ready to be harvested this season, even though looks as if the farmers expect a big wheat crop and want the best machine to help it with.

—The McCormick Right Hand Model 1888 is better made, has more good features and a better record than any other harvester ever built. For sale by Taylor Brothers. Richmond, Ky. appt2-32
